

Chapter 11 Objectives and Assignments

- Discuss the Industrial Revolution and the changes it created.
 - Explain how industrialization created new rivalries between European countries.
 - Explain how the two World Wars changed the balance of power in the world.
 - Explain the circumstances that created the Cold War.
 - Discuss the events that led to the end of the Cold War.
 - Discuss the outcome of the breakup of the Soviet Union.
 - Explain how Europe has become more united.
 - Explain the challenges facing Europe today.
1. This will be a group activity so we will first form groups.
 2. Each group will create a presentation addressing one of the challenges listed above.
 3. The presentation should be a combination of video clips, slides, pictures, and diagrams.
 4. The final product should be in the presentation of your choice. (PowerPoint, Notebook, Word, Glogster, etc.)
 5. Members within each group will accept specific roles. Each of these roles will have well defined responsibilities. Once the role is accepted, each member will be held accountable for their roles.
 6. Once completed, each group will present their presentation.
 7. Each group will be given an evaluation form.

The goals of each presentation

- Provide a complete understanding of the assigned objective
- Use a variety of media including video clips, diagrams, PowerPoint/Notebook slides, etc.
- Presentation must include a complete understanding of the terms used to address the question
