

## Chapter 8 Objectives and Assignments

- Describe Brazil's landforms and climates
  - Identify the natural resources Brazil's economy depends on
  - Discuss the people and culture of Brazil
  - Compare the landscapes and climates of Venezuela and Argentina
  - Describe the economies of Brazil's northern and southern neighbors
  - Discuss the histories of Brazil's neighboring countries.
1. This will be a group activity so we will first form groups.
  2. Create a "South American Travel Brochure"
  3. Use the textbook, Internet, travel agency brochures, or other sources to find information.
  4. Brochures should include information on climate, places to visit, interesting facts and information, currency, history and landforms. Foods and recipes should also be added.
  5. Brochures can be made on the computer or by using colored paper.

### The goal of each research presentation

- Provide a complete understanding of the assigned objective
- Use a variety of media.
- Research presentation must include a complete understanding of the terms used to address the question
