

Sixth Grade Parent Letter

March 18, 2011

Dear Parents or Guardians:

Report cards were sent home on Wednesday this week so I will not be including grades this week. Look for them next week.

We are working on Measurement in Math and seem to be struggling with converting between the various units. We are starting a chapter on Russia in Social Studies and the rock cycle in Science. We just finished working on buoyancy in Science and building our boats.

Madison Counts won our challenge. Her boat held 2241 grams of weight. Congratulations Madison.

Remember that Sports Pictures will be taken next week on Friday.

Our class trip is planned for April 27 more information on that later.

Average Scores	AR Progress
	Your child has ____ points. They need ____ by the end of the 4th quarter. May 18, 2011

<p>Spelling Words (House of Wisdom)</p> <p>bisect, triangle, universal, semicircle, biceps, bilingual, tricycle, university, semifinal, uniform, bifocals, reunion, unison, semicolon, unicorn, semiprivate, triplicate, semisweet, semiannual, biplane, semiprecious, bicentennial, trigonometry, semiprofessional, unification</p>
