

Sixth Grade Parent Letter

August 19, 2011

Dear Parents or Guardians:

The year is off to a great start, I am looking forward to having your student in my class. We have done some testing this first week of school that will show me where to start working with them. MAP scores are in from last year so that also gives us some idea of where to start. STAR testing will be done this coming week during Guidance time. Spelling test will be given on Thursdays each week. I will be sending home a parent letter each week or most weeks with grades. I always have a study guide before tests are taken in my room. (Science, Social Studies, Math) Look for these study guides and I will try to make you aware of when to expect them. It is in the student's best interest to use the study guides to study for the test, it will help immensely. I want the students to have a very successful year and will do everything in my power to make it happen. I look forward to meeting everyone at Parent-Teacher Conference later this year.
