

Sixth Grade Parent Letter

February 18, 2011

Dear Parents or Guardians:

We have been doing a lot of MAP review trying to prepare for the MAP test. MAP testing will be April 11-18 for sixth grade. We are tested on Math and Communication Arts.

We will be ready for a Math test next week over topic 14 dealing with percents. Spelling test will be on Thursday over The View from Saturday.

I will not be sending home grades today since the mid-quarters just came home Monday.

I have a new website that I am working on, if you would like to view it and send me any suggestions please feel free to do so. The address is Msshoes6thgrade.weebly.com
