

## Sixth Grade Parent Letter

August 26, 2011

Dear Parents or Guardians:

The grades that are listed today are the total grades that your child has in that particular subject. I hope that this will be a help for you. We have several things planned for the months ahead, we will be going to Twin Pines for a lesson on survival, also a lesson on understanding the diet of owls. We will be cutting apart and looking at Owl Pellets to discover what the owl has eaten. This is always fun for the students to participate in. Later this year we will have a mock trial that will be performed in Eminence with Judge David Evans. We have had class elections Delaney Hicks, (President) Alexis Hough, (Vice-president) Mackenzie Brinkam, (Treasurer) and Abigail Norris, (Secretary). I feel that we are off to a very good start this year. I'm excited and hope that the students are as well.

No late work is accepted in 6<sup>th</sup> grade. Talk with your child about the importance of turning in their daily work and homework.

We will be having a Science test next week probably on Tuesday. I will send a study guide home with them today. Spelling test will be on Thursday.
